### Photograph CD Order Form

As you are probably aware, the resolution and therefore the quality of photographs provided on the internet is intentionally reduced to speed up download times, which can be a problem if you wish to print good quality copies for your own use.

Hence we are now offering parents and guardians the opportunity to purchase CD's containing images of their choice from the photographs on the '**Photo Album**' pages within our website – [www.StJohnsPrimary.co.uk](http://www.StJohnsPrimary.co.uk)

The photographs will be copied onto CD at their full resolution (i.e. as originally taken) at a **cost of £2.00** to cover the cost of the CD, with the balance going towards school funds. If you require lots of pictures that will not fit onto one CD, we will provide them on one or more CD's or alternatively a DVD unless you specifically require CD's only (if so, please make a note to this effect on your order form).

-----  
To Place Your Order...

Please enter the filenames in the box below of the photographs you would like. (The filenames are shown directly underneath the photographs as you view them in the '**Photo Album**' section of our site)

Place the order form in an envelope along **with £2.00** and mark it for the attention of :  
**Mr. McCoy – Photograph CD Order**

Your CD or DVD will be sent home with your child as soon as possible.
